What's New?

ASU PARTICIPATES IN EDUCATION & TRAINING INTERNATIONAL EXHIBITION (EDUTEX BAHRAIN) 2016

ASU participated in Education & Training International Exhibition (EDUTEX Bahrain) 2016 that was held at the Bahrain International Exhibition Centre. 52 universities and institutions from 13 Arab and western countries participated in the exhibition.

ASU representatives were in attendance to advise the visitors on ASU programmes and degrees obtained. They also guided new students and answered any questions or concerns they might have had.

Mrs. Ruqaya Mohsen, Marketing and Public Affairs Director at the university, explained that the exhibition gave a chance to the visitors to know the activities of the university. She added that the university's aim is to promote the quality of education, and for this reason, ASU is considered to be one of the best private universities in Bahrain.

ASU HOSTED BH-UK ALUMNI BOARD

ASU hosted BH-UK Alumni Board on the 22 March. The Board was welcomed by Prof Ghassan, Prof Saad and Ustaza Ruqaya. This board is a valuable connection for ASU as it will create a good network for the university and help in building contacts with different bodies in Bahrain. The Alumni community will also be an excellent source for extended support to the university's activities.

ASU LIBRARY LAUNCHED THE LIBQUAL SURVEY

On 20 March, ASU library has launched the LibQual survey campaign. LibQual is a suite of services that libraries use to track, understand, and act upon users' opinions of service quality. The library has conducted daily sessions in the three colleges for staff, and in lectures to approach students and encourage them to participate in the online survey. The survey campaign will be on until 6 April 2016. Academic and administrative staff sessions will be held in the library in order to reach the maximum participation of ASU members to benefit from all opinions to develop ASU library.

Dr Ghossoon AlSadoon, the Internship Supervisor for the Bachelor Degree in Management Information System (BMIS) programme, has visited one of the intern students in the training site at Oman Air at Bahrain International Airport on 15 March 2016. She also visited another internship student at Southern Area Municipality. The purpose of the visits was a follow up on the students’ progress on site and to make sure that the training is relevant to the field to MIS programme.

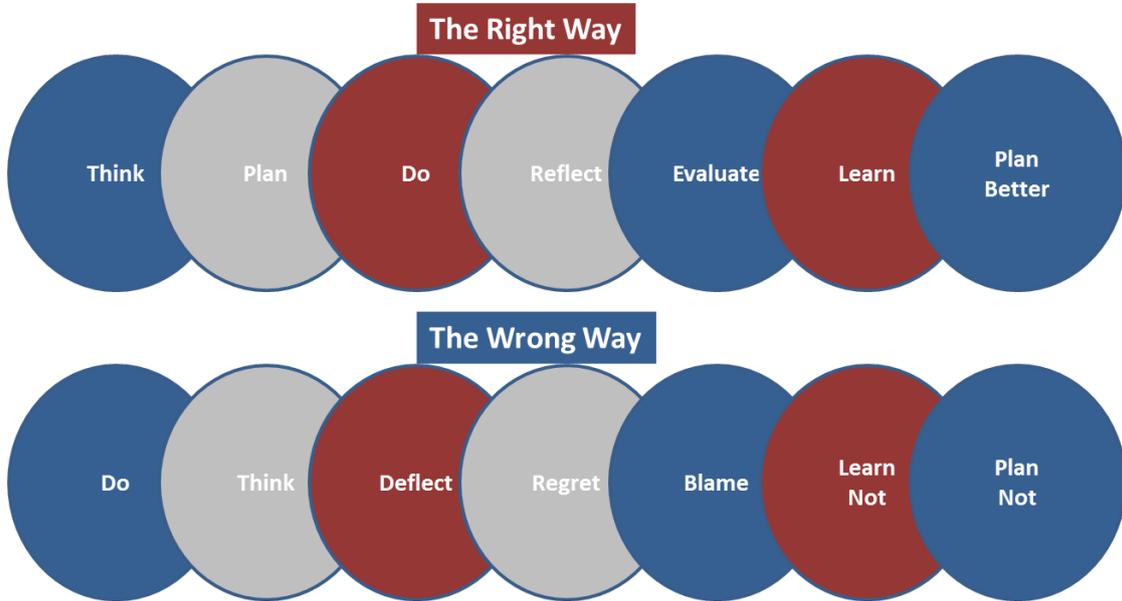

Dr AlSadoon met with Airport Services Executives who confirmed that the students have been trained on advanced technology using new information systems in the different departments.

REMINDER OF THE WEEK

Failing to plan is planning to fail

QUOTE OF THE WEEK

Without change there is no innovation, creativity, or incentive for improvement. Those who initiate change will have a better opportunity to manage the change that is inevitable.
