ASU has an agreement with Microsoft to provide the IT Academy (ITA) programme. Academic faculty, students and staff can access the digital curriculum and certifications for fundamental technology skills as well as e-courses critical for students to be successful in today's technologically evolving world.

**Note: For any help contact the University ICT & KM Department.**

As Part of the continuous development of our services at the Deanship of Student Affairs and in order to enable your voice to be listened and acted promptly, we at the Deanship of Student Affairs are pleased to announce the launch of the "Student Online Services - SOS" System where you can now put your request, complaint, suggestion and others issues online from anywhere at anytime.

**Note: For any help contact the Student Services Office.**
