

The Department of **Civil and Architectural Engineering** offers two programmes from London South Bank University (**LSBU**) making it affordable for students to gain an internationally recognised degree.

### **The Programmes**

The programmes will be of a four-year duration and upon completion will offer:

in 2017/18

- **B. Eng. (Hons) Architectural Design Engineering**
- **B. Eng. (Hons) Civil and Construction Engineering**

Each programme is divided into teaching units called courses, which are each assigned 3 Credit Hours weighting. For a awarding Degree, 150 Credit Hours must be accumulated.
