

In any case, however, the volume of student intake is commensurate with manpower, equipment and educational resources available at the University.

i. The student should obtain a high school certificate or its equivalent certified by the Ministry of Education in the Kingdom of Bahrain at an average not less than 60%. Students with averages less than 60% may register in the university, provided that they meet the following criteria:

- Athletes or artists who represent the Kingdom of Bahrain in external participations.
- Those who have at least one year practical experience after attaining the high school certificate.

The following conditions must be applied for such students stated above:

- 1- Pass a personal interview in the concerned college.
- 2- The number of students admitted according to the above criteria should not exceed 5% of the total number of admissions that particular semester
