

There are three Academic semester in applied science university which are the First, Second and summer semesters. The duration of an Academic semester (First & Second) is not less than fourteen (14) weeks including the examinations, and the summer semester consists of seven (7) weeks including the examinations. The University retains the right to make any changes in the mechanisms of the study duration due to compelling matters or the public interest or whenever seen appropriate by the University Board as long as it does not interfere with the rules and regulations issued by the HEC.
