About the Journal

Applied Science Journal (ASJ) is scholarly peer reviewed, paper printed and open access journal, publishing high-quality original articles on all aspects of Risk Management . It is published by Applied Science University, ASU, Bahrain Visit www.asu.research.asj to see the full website and learn more about the journal.

ASJ attracts researchers and scientists from some of the top companies, universities, research firms and government agencies from around the world. Each paper will be reviewed by at least two senior referees . The acceptance decisions will take into account paper novelty, technical depth, elegance, practical and theoretic impact. This Journal is produced under the Deanship of Research and Graduate Studies.
