Message from the Dean

Dear Students,

The College of Law was established in order to enable students to successfully gain valuable qualifications in the field of Law. It offers an extremely high standard and is considered one of the best law colleges in Bahrain. Its success is due to our outstanding academic curriculum, which is based on scientific developments in the legal and judicial fields regionally and internationally.

ASU College of Law programmes are subject to comprehensive periodic revision in order to encourage student success and increase their cognition and critical thinking skills. Students are taught to apply their skills by linking theory to practice. Over time, this develops their capabilities and creative talents in order to fulfil the needs of the labour market and students' employment prospects. Our graduates have certainly proved that they are competent in their professions.

Each student is of a great importance to us with regard to both academic and social aspects. We offer our students all the attention and guidance they need. The college's policy is to listen to the opinions of the students and to give them opportunities to contribute and solve challenging problems. We want our students to fulfill their aspirations by providing a supportive educational environment.

Law has a great influence on human activity and, for this reason, the university attracts experienced and distinguished academic staff. They are able to assist students, consider their needs, and communicate well with them at all levels.

I would like to welcome you and wish you every success in your studies in the College of Law.

Vision of the College:

The College of Law seeks to be a locally and regionally distinguished centre in research, legal study, and the provision of outstanding and capable graduates.

Mission of the College:

The College of Law seeks to promote a professional legal culture characterised by the legal skills and abilities of its graduates, which will enable them to access the labour market with adequate and appropriate capabilities. The college also seeks to spread awareness of legal culture among citizens locally and regionally in order to establish a community and state of law, including institutions, where people know their rights and duties.

Objectives of the College:

1. Form legal personality and develop legal awareness among students.
2. Expand opportunities for students in all areas and expand their scientific understanding by using the latest educational technology and methods.
3. Build links between the theoretical study and practical application of law through a variety of educational methods within the university, and through internships and practical training outside the university.
4. Establish close ties among students and faculty members through educational and academic supervision in order to create opportunities to enhance the student culture and awareness.
5. Promote cooperation between the university and the local community and provide access to the local community through training, continuing education, seminars, lectures, and conferences.
6. Contribute to develop Bahraini laws and the laws of the states of the Gulf Cooperation Council (GCC).
7. Encourage scientific research and provide in-depth scientific studies to serve the Kingdom of Bahrain and the Gulf Cooperation Council.
8. Provide the Kingdom of Bahrain and the Gulf Cooperation Council with legal qualified cadres to meet the needs of the labor market.

Article (2)

1. The following words and expressions, as indicated in this bylaw, have the meanings allocated below; unless the context signifies otherwise.

- A. President: University President
- B. Council: University Council
- C. College Dean: Dean of the College to which the student belongs
- D. Study System: Credit Hours System

2. Credit Hours System:

The system of study is based on:

- A. Number of credit hours that should be completed by the student and passed according to the level determined by the University as a condition for graduation in any academic programme.
- B. Identification of academic fields in which such credit hours are distributed as per the provisions of this bylaw giving the student the freedom to select required courses based on his/her needs and readiness with the guidance from his/her academic advisor and within the range of minimum and maximum credit hours allowed per semester and according to the advising plan.

3. Credit Hours (Cr.):

Includes one theoretical hour of study per week or its equivalence in practical hours, within the full academic semester.

4. University Year:

The university year consists of two obligatory semesters and one optional summer semester.

5. Semester:

The duration of each semester is at least 14 weeks, including the examination period, and the duration of the summer semester is at least seven weeks, including the examination period. The University Council is entitled to change this duration as per public interest as viewed by the University Council, in a way that does not conflict with the bylaws and laws issued by the Higher Education Council.

6. University Requirements:

A set of compulsory and elective courses studied by all students in the University according to their approved plan of study.

7. College Requirements:

A set of compulsory and elective courses studied by all students in the College according to their approved plan of study.

8. Programme:

The total credit hours required to be studied by the student to obtain a Bachelor Degree in a certain specialty.

9. Programme Requirements:

A set of compulsory and elective courses studied by all students in the programme according to their approved plan of study.

10. Academic Level:

The academic level of the student is determined by the number of hours the student has passed successfully by virtue of the study plan.

11. Elective Courses:

These are a set of courses from which the student is entitled to select, as included in the elective courses list, and according to the approved plan of study in the University.

12. Compulsory Courses:

A group of courses that the student must complete as part of their approved study plan in the University.

13. Prerequisite:

An academic course that must be successfully completed by the student before enrolling in the more advanced course, according to the provisions of Article 8/2.

Article (5): Admissions Requirements and Placement tests for new students

1. University Admissions requirements:

- A. The student should obtain a Secondary School Certificate or its equivalent certified by the Ministry of Education in the Kingdom of Bahrain with an average of no less than 60% or equivalent.
- B. Students with averages below 60% may be admitted in the University, provided that they meet one of the following criteria:
1. They are athletes and artists who represent the Kingdom of Bahrain internationally.
 2. Those with at least one year of practical experience following their secondary school certificate.
 3. In addition to that, the University Council has the right to decide on applicants with averages below 60%.
 4. The number of students admitted according to this point (B) can be no more than 5% of the admitted students.
- C. In some programmes, the students admitted from non-scientific secondary school fields should pass remedial courses.

2. All students admitted to the University should take a compulsory placement test – determined by the University- to determine their English language level. The levels admitted to the programmes are determined as follows, so that the admitted student studies the course listed according to their own ability level:

- A. Programmes taught in English according to the following table:

| Course | Level | Mark in the placement test |
|---------|--------------------|----------------------------|
| ENG 097 | Elementary | 0 - 34 |
| ENG 098 | Intermediate | 35 - 50 |
| ENG 111 | Upper-Intermediate | 51 - 120 |

- B. Programmes taught in Arabic according to the following table:

| Course | Level | Mark in the placement test |
|---------|-----------------|----------------------------|
| ENG 099 | Remedial course | 0 - 40 |
| ENG 101 | English 101 | 41 - 120 |

3. A student may be exempted from studying the English language courses in the following cases:

- The student is exempted from the courses ENG 097 and ENG 098 for programmes taught in English, and the course ENG 099 for programmes taught in Arabic if they have obtained (5) or higher in an IELTS test, or 450 and higher in a TOEFL test.
- The English language placement test is conducted in the semester in which the student is admitted. If the student does not attend the test, they will be given a mark of 0, and will not be allowed to postpone the test for any reason or under any circumstances.
- Students transferred from other universities will be exempted from the English language placement test if they have taken an equivalent English course in their previous university.

Article (6): Credit Hours

- 1- Each course consists of three credit hours, excluding some courses that have practical requirements (for example, laboratory work), in which case, the number of credit hours for a course may reach five hours. The University Council may assign fewer or more hours for some courses, if required.
- 2- The credit hours for each course are assigned on the basis that one hour of theoretical weekly lecture equals one credit hour. In the case of laboratory or practical hours, the assessment is made separately for each course, where one credit hour constitutes no less than two practical hours or two laboratory hours.

Article (7): Levels of Study

- 1- The courses offered by each programme as well as the courses included in the study plans are classified into four levels, stating any prerequisites (if any) for each course. Each course is assigned a code that indicates its level. Moreover, every course must identify the number of lectures, weekly laboratory hours, and number of credit hours.
- 2- The students registered at the University under the Bachelor Degree are classified into four levels: first year, second year, third year, and fourth year, according to the number of credit hours they completed. It should be the case that a second year student has completed 33 credit hours, whereas a third year student will have completed 66 credit hours, and a fourth year student will have completed 99 credit hours.

Article (8): Prerequisites

1. The student is not allowed to study a course before studying its prerequisite courses.
2. The student is allowed to study a certain course and its prerequisite in the same semester if their graduation so requires, or if they have previously failed the prerequisite. This happens with the consent of the Dean of the College and with a recommendation from the Head of the Department and the academic advisor, provided that the student does not have more than one prerequisite to complete or to pass.
3. The meaning of studying a prerequisite which is mentioned in paragraphs 1 and 2 of this article: -the student should have registered, attended and taken the exams of the prerequisite irrespective of passing or failing it, provided that his grade is not less than 36%.

Article (9): Duration of Study:

1. The study duration to obtain a Bachelor Degree in any programme with a regular study load is four academic years.
2. Students are not allowed to obtain a Bachelor Degree in a period of less than three years.
3. The study duration to obtain the Bachelor Degree should not exceed eight academic years in all programmes.

Article (10): Study Load

The minimum number of credit hours a student may register for is 12 credit hours per semester, and the maximum is 19 credit hours per semester. A student is allowed to register less than 12 credit hours only once during his studies. Moreover, he is allowed to register less than the aforementioned minimum number of credit hours more than once on condition that he is considered a part-time student and that it should not count towards the minimum period of obtaining the degree. A student is allowed to register for extra credit hours, provided that these hours do not exceed 21 credit hours, and the following conditions are met:

- His GPA is not less than 84%.
- The student needs to study 21 credit hours to complete the requirements of graduation during that semester.

Article (11)

In the graduation semester, the student may register any number of credit hours required for graduation, without considering the minimum level of the prescribed study load.

Article (12): Punctuality

All registered students must regularly attend all lectures and actively participate in all classroom discussions. Furthermore, the course instructor keeps a record of the students' absence and attendance in the Students Information System.

Article (13): Absence and Excuses

1. The student is not allowed to be absent for more than 25% of the course credit hours.
2. The course instructor submits the names of those students whose absenteeism exceeds 15% of the total hours of the course to the Head of the Department in order to take the necessary action.
3. If the student is absent for more than 25% of the total course credit hours without a reasonable excuse that is accepted by the College Dean, they will not be allowed to attend their final exam and will be given the minimum pass mark, i.e. (WF, 35). The student will then have to retake the course, if it is compulsory. In all cases, the grade will be included in the calculation of the student's accumulative and semester average for warning or dismissal purposes.

-
4. The Head of the Department submits to the College Dean a list of those students who are prohibited from taking the final examinations due to their absenteeism, to inform the Deanship of Admissions and Registration to assign to those students the minimum grade for that course.

Article (14): Absence

1. If the student is absent for more than 25% of the course hours due to illness or any reasonable excuse that is accepted by the College Dean, they will be considered as withdrawn from the course with a grade of (W), and the rules of withdrawal will apply. Students who represent the Kingdom or the University in social activities shall be permitted to be absent for no more than 30% of the total course hours.
2. It is necessary that sick leave be issued by an approved medical authority and a certificate be submitted to the Dean of College within a period of two weeks from the date of the absence.

Article (15): Examinations

1. Any student absent from the final exam without an excuse that is accepted by the College Dean will be given a mark of zero.
2. The maximum number of (stamped) sick leave for out-patient students is five days if approved within two working days, whereas for in-patient students, approval must be sought within four working days from the period of absence.
3. If the student misses the final exam with a reasonable excuse that is accepted by the Dean of the College, the Dean is responsible for informing the Deanship of Admissions and Registration of the need to assign a grade of "incomplete", where the course instructor will schedule a make-up exam within the first 2 weeks of the next semester unless the student has postponed that semester; this rule doesn't apply to the summer semester since it is an optional semester. If this does not happen, the student will not be able to retake the exam, and he/she will be assigned the minimum grade for that course which is (IF, 35).
4. It is possible to consider the student who has missed the final examination with an acceptable excuse as withdrawn from the course, provided that he successfully passed the Mid-Term exam and the coursework, and are not registered for the make-up exam during the period determined in Paragraph 3 above, and that the student did not miss a make-up exam scheduled by the department without providing an acceptable excuse to the Dean.

Article (16): Course Description

Academic Staff members prepare descriptions of their courses, which include the nature of the course, its objectives and timetable, the course requirements, exams and assessment dates, mark distribution, reading and references lists. These will be approved by the Department Council.

Article (17): Marks

1. The final mark for each course is the sum of the final exam mark and the coursework mark.
2. The coursework includes the following:
 - a) Oral and written quizzes, reports, research, group discussions, presentations and class participation, and counts for 20% of the overall course mark.
 - b) A mid-term written exam which counts for 30%.

3. The final exam for each course is held at the end of the semester and counts for 50% of the overall mark. The final exam is a written exam that covers the course material and may include oral or practical tests or a submitted report and the College Council determines, based on a recommendation from the concerned Department, its percentage from the final exam mark. This has to be announced to the student at the beginning of the semester.
4. The distribution of the marks for practical courses, or those which have a practical element, are determined by the College Council based on recommendations by the Department Council.
5. The Final exam, Mid-term exam grades and coursework may be re-distributed if recommended by the Department Council and the College Council and given an approval from the University Council.
6. The marks are calculated and recorded for each course using percentages, and the credit hours of the course should be clearly stated.
7. The final grade for each course is calculated from 100 to the nearest whole number.

Article (18): Examination Questions

The exam questions should be confidential and each academic staff member setting them should coordinate with his Head of Department and College Dean. The academic Staff should take full responsibility for the supervision, printing, copying, packing, and maintaining of the exam papers.

Article (19)

The course instructor is responsible for keeping a record of students' attendance of the exam, and the marking of papers.

Article (20)

The course instructor is responsible for accurately recording the students' marks in the Students Information System.

Article (21)

1. Mark Classifications are as follows:

| Mark | Grade | Symbol in English |
|-----------|-----------|-------------------|
| 90 - 100% | Excellent | A |
| 80 - 89% | Very Good | B |
| 70 - 79% | Good | C |
| 60 - 69% | Pass | D |
| 50 - 59% | Poor | E |
| Below 50% | Fail | F |

2. The Accumulative Averages are classified as follows:

| Mark | Grade |
|--------------------|------------------------|
| 92- 100% | Excellent with Honours |
| 84 - less than 92% | Excellent |
| 76 - less than 84% | Very Good |
| 68 - less than 76% | Good |
| 60 - less than 68% | Satisfactory |

Article (22): Calculation of Semester and GPA Averages

1. The calculation of any semester or GPA averages is done by multiplying the percentage for each course by the number of credit hours for each course divided by the total number of credit hours.
2. In cases where the student has failed, their mark will be recorded by the course instructor as 35%, including all marks that fall below 35%.
3. All courses completed by the student are documented in their academic transcript.

Article (23): Appeals

1. Students have the right to appeal against their final examination mark for any course within ten days of the results being announced. The Dean is then entitled to investigate whether any mistakes were made in the calculating or recording of marks or unmarked marks. This is done by a committee formed by the College Dean, consisting of academic staff members but not including the course instructor.
2. The student pays 10 Dinars for each appeal request.
3. The student has to right to appeal against his final mark for any course using the following steps:
 - A. The student submits an appeal request to the Deanship of Admissions and Registration within 10 days of the results announcement. The student then pays 10 Bahraini dinars - to be refunded if the mark is subsequently augmented.
 - B. The Head of the Academic Department forms a special committee that consists of two academic staff members to review the coursework results and re-mark the final exam paper; provided that the student's course instructor is not a member of the committee. If the committee cannot agree on the same result, it will be transferred to a third member to make the final decision.
 - C. The committee depends on the mark distribution that was provided by the course instructor.
 - D. The committee submits its report to the Head of the Academic Department within one week of its formation.
 - E. If the mark is changed following the committee report, it will be approved by the concerned Head of Department and College Dean. The report will then be delivered to the Deanship of Admissions and Registration to amend the mark prior to end of the Add/Drop period of the coming semester.

- F. The Deanship of Admissions and Registration notifies the student of the result.
- G. The student is not allowed to request an appeal on a course that was already reviewed. The first appeal's decision will be considered as a final decision.

Article (24): Adding or Dropping Courses

1. The student is allowed to withdraw from courses in which they are registered and add new courses within five working days of the beginning of the first and second semesters, and within three working days of the beginning of the summer semester. The courses dropped within those periods will not be included in the student's academic transcript.
2. Given the content of Clause (1) of this Article, the student is allowed to withdraw from a course within eight weeks of the beginning of the first and second semesters, and within four weeks of the beginning of the summer semester, provided that the student has not exceeded the percentage of the allowed absenteeism rate. The dropped course in this case would be included in the student's academic transcript with a note of 'withdrawn-W', and this course would not be included in the total credit hours they have studied in terms of passing, failing or graduation requirement. If the student has dropped the course after the mentioned period, the academic staff should include the student's result in his academic transcript. The withdrawal process should not decrease the number of credit hours registered by the student in terms of the minimum study load allowed according to these instructions, except in some compelling circumstances mentioned in these instructions.

Article (25): Withdrawal from and completion of courses

1. In cases where the student has withdrawn from a course, the note 'W withdrawn' will appear next to the course on his academic transcript.
2. The note 'incomplete' will appear next to the course if the student does not complete the requirements, or misses the final exam with an acceptable excuse.
3. If the student obtains the result of 'incomplete' in some courses, their averages will be calculated when the marks of the courses are complete. The averages are considered retroactively from the date of the student having obtained the 'incomplete' result, when it comes to academic warning or dismissal.

Article (26): Honorary Board

1. Each semester The President issues the names of students listed in the honorary board of the University. This includes names of students who have obtained semester averages of 92% and above, and the University honours them in a way that it deems appropriate.
2. The Dean places the names of the students who have obtained semester averages of 85% and above on the honorary board of the College, and notes this in their academic transcript, provided their load of study is no less than 12 credit hours.
3. The bylaw of the Honorary Board of the Excellent Students in the Applied Science University is applied to the students listed in the above Clauses 1 and 2.

Article (27): Academic Warning and Dismissal

1. The student is given an academic warning if his GPA is lower than the minimum required level for graduation in the academic programme at the end of any semester, except for his/her first semester at the University, the semester when the student changes his specialization (if it occurs) and also the summer semester; the Deanship of Admissions and Registration notifies the student via the method it deems appropriate.
2. The Student who receives an academic warning should resolve the issues that have caused him/her to be put under probation within a maximum period of three regular semesters after the semester because of which he/she was put under probation.
3. If the student receives an academic warning then was capable to increase his/her GPA to the required minimum, the effects of that warning are cancelled; and if his/her GPA decreases again at a later stage, he/she shall receive a new academic warning different from the previous warning (s).
4. The student who is subject to an academic warning is not allowed to register for more than four courses (12) credit hours in the semester, except with a recommendation from the Academic Advisor and the Head of Department.
5. The student who is given an academic warning is not allowed to participate in any extra-curricular activities held at the University.
6. The summer semester is not taken into consideration for the purposes of academic warning and dismissal, but the academic warning is cancelled if the student's GPA has increased to the minimum required level for graduation in the academic programme according to the result of the summer semester.
7. If the student cannot resolve the issues that have caused him/her to be put under probation, by virtue of Clause (2) of this article, he/she will be dismissed from the academic programme, and maintains the right to move to another academic programme.
8. Any student who has successfully completed 75% of the credit hours required for the academic programme will not be dismissed. The student obtaining a GPA between 59.5% and 59.9% by the end of the third semester of the academic warning will also be excluded from dismissal and, in both cases, the student remains under probation until he/she manages to raise his/her GPA to the minimum required for graduation and is only dismissed if he/she exceeds the maximum permitted study duration in the university.
9. A student who is dismissed from his/her initial academic programme and then denied registration at a new academic programme will be dismissed from the University.
10. The student is not allowed to move to an academic programme from which he/she was dismissed in the past.
11. In spite of the above, every student who exceeds the maximum permitted study duration in the university will be dismissed.

Article (28): Re-taking the Course

1. Student must re-take any of the compulsory courses that he has failed. If a student fails an elective course, he is allowed to study another course according to the study plan. The student is also allowed to re-take any course in which they have obtained a mark below 65%, in order to raise his GPA. In all of the cases indicated, the higher mark will be calculated for the student and the lower mark will be ignored.

2. In cases where the student re-takes a course due to an earlier failure or for any other reason, the credit hours of this course will be calculated only once within the number of hours required for graduation.

3. If the student completes more courses than the required elective courses in their study plan, the courses with the highest grades will be included in the calculation of their accumulative average, taking into account Paragraphs (1) and (2) of this article.

Article (29): Postponement of Study, Drop-out and Withdrawal from the University

1. The student is entitled to submit a postponement request prior to the commencement of the semester and provide reasons to convince the concerned body, according to the following criteria:

A. College Dean: if the postponement required is for a period of one semester and does not exceed four semesters, whether continuous or not.

B. College Council: if the postponement required is for a period exceeding four semesters, and for no more than six semesters, whether continuous or not.

2. A newly admitted or transferred student is not allowed to postpone a semester unless he has already completed one semester at the University (the credit hours of the foundation courses are excluded).

3. The period of the postponement is included in the maximum study duration specified for obtaining the Bachelor Degree.

Article (30): Attendance / Re-registration / Absence and Withdrawal from Courses

1. If the full-time student is not registered at the University for one or more semesters, and does not obtain written consent from the College Dean for the postponement of his study for this period, his admissions will be cancelled.

2. The University Council may re-register the enrolled student if he presents a reasonable excuse that is approved by the Council. After approval, the student may retain their entire previous academic transcript, provided that the postponement period is not more than four academic years and that they will be able to meet the graduation requirements within the permitted period.

3. The University Council, based on the recommendations of the College Council and the Deanship of Admissions and Registration, will determine the study plan for the re-registered student.

4. The student, whose total excused absences exceed (25%) of the credit hours for semester courses, is considered withdrawn from the semester and the note 'Withdrawn W' will appear on their transcript. This semester will be considered postponed.

5. The student may submit a request to the College Dean to withdraw from all courses registered in a specific semester. If approval from the Dean is obtained, that semester will be considered postponed, and the student should submit such a request at least four weeks prior to the date of the final exams.

Article (31): Transfer from one Academic Programme to Another

1. The student may transfer from one programme to another in the University, if there is a suitable vacancy, provided that his secondary school GPA qualifies him to study in such a programme.

2. When the student is transferred to another programme, he may be exempted from any courses of his choice that he completed in the previous programme if they are included in the study plan of the new programme. The marks of such courses are included in the student's semester and GPA average.
3. Each 15-credit-hour course selected, as per the previous clause, is calculated as one semester.
4. Transfer requests will be submitted to the Dean of Admissions and Registration using the prescribed forms.
5. The transferred student receives the same treatment as the new student, for the purposes of postponement, warnings, and dismissal from the programme.

Article (32): Visiting Students

1. The visiting student is enrolled in his original university, but is a temporary student at the Applied Science University and is allowed to study specific courses in a certain semester. After the end of this semester, the University is not obligated to admit or transfer this student to any academic programme.

The conditions for dealing with the visiting student are as follows:

- A. The student should be a full-time enrolled student in a university
 - B. The visiting student should be studying at a recognised university as per the laws and bylaws of the Higher Education Council in Bahrain.
 - C. The student should be nominated by his original university to study specific courses, and at the end of the semester, his results will be sent to the responsible body in his original university.
 - D. A vacancy must be available in the courses that the visiting student is applying for.
 - E. Visiting students are registered after the period of registration and add/drop, and only in those courses that have available seats.
2. Students desiring to study as visiting students in another university, recognised by the national committee for the equalization of certificates by the Ministry of Education of the Kingdom of Bahrain, should obtain prior consent from the Deanship of Admissions and Registration in the University with the subjects to be studied based on recommendations from the relevant academic department. This consent requires a submission of study request in the other university supported by the following documents:
 - A. Description of the contents of the course to be studied as approved by the relevant body in the external university, to be submitted to the academic department concerned as per the controls declared by the University Council.
 - B. A letter obtained from the Dean of Admissions and Registration in the University addressed to the relevant body in the host University.
 - C. The courses studied by the university student appear as "Pass" if the student has obtained a mark of no less than 70%.

Article (33)

If the student has already obtained a Bachelor Degree from the university and college that they are applying to, in another programme, the university may exempt the student from all requirements of the university and college. The student will only be required to complete the new programme requirements. If the new programme is in another college within the same university, the student may be exempt from the university requirements.

Article (34): Transfer from Other Universities

Students may transfer to the University if there are vacancies available, provided that transfer requests are submitted to the Deanship of Admissions and Registration on the dates announced in each semester, and according to the following conditions:

1. Meeting the requirements of the admissions and registration of the University. In addition, the student must have an acceptable secondary school average or its equivalent for the programme to which he is transferred.
2. The student must be transferring from an accredited university, college, or higher education institute that is approved by the Equivalence Committee at the Ministry of Education in the Kingdom of Bahrain. The courses completed by the transfer student will be included in their study plan, provided that the credit hours accumulated from their previous university are no less than the credit hours of their new course in the Applied Science University.
3. They are a full-time student, and evidence of this is provided.
4. The student is not dismissed for disciplinary purposes from their previous university directly before submitting the transfer request.
5. Every 15 credit hours completed by the transfer student is equal to one semester, provided that the course marks are not calculated in the semester and GPA averages.

Article (35): Re-enrolling in the university

1. If a student that has withdrawn from the University desires to re-enrol, a new application should be submitted. In cases where they are applying for the same programme, their academic transcript should be fully kept, provided they complete the graduation requirements as per the study plan applicable upon their return to the University. The previous study period will be calculated within the maximum graduation period. If they are admitted to another department, the provisions of the clause regarding transferring from one programme to another will apply, provided the duration of study in addition to the withdrawal period does not exceed the maximum permitted graduation period.
2. The student academic transcript will not be considered if the student postpones his study for four or more years.
3. In all cases, the student should study at least 1/3 credit hours with the Applied Science University.

Article (36): Requirements to obtain a Bachelor Degree

The Bachelor Degree is granted to students by the University Council after completion of the following:

-
1. Successfully passing all courses required for graduation in the study plan
 2. Obtaining a GPA of no less than 60%
 3. Spending the minimum duration required for graduation and not exceeding the maximum duration, as indicated in Article (9) of this bylaw

Article (37): Course Equivalence

The conditions for transferring courses in cases where a student has transferred from a Higher Education Institution to the Applied Science University:

1. The number of credit hours transferred should not exceed 66% (2/3rds) of the Bachelor Degree requirements, where the minimum study duration for a transferred student is two academic semesters and a minimum of 30 credit hours. Courses with a grade less than C are not transferred.
2. The number of credit hours required in order to be transferred cannot be less than the number of the credit hours of the equivalent course.
3. The course is equivalent to only one course.
4. An official and approved academic transcript is required to verify the student's successful completion of the course.

Article (38): Issuing the Graduation Certificate

The graduation certificates are awarded upon the completion of the requirements at the end of each semester.

Article (39)

1. In cases where the student's graduation is dependent on one or two compulsory courses that are not listed in the semester schedule, or whose timing clashes with another compulsory course, or where the student has failed in the same course twice, the Dean of the College, in consultation with the Head of Department, may allow the student to enrol in an alternative course(s) that is (are) equivalent to the original one(s). The Deanship of Admissions and Registration should be notified accordingly.
2. If the student's graduation depends on one or two elective courses, and the student could not register them for a reason beyond his control, the Dean is entitled to approve the replacement of these courses with other appropriate courses of matching levels from the same or other college upon a recommendation from the concerned Head of Department. The Deanship of Admissions and Registration should be notified.
3. In all cases, whether the matter is related to compulsory and/or elective subjects, the number of alternative courses should be no more than two courses.
4. If the student did not register for a compulsory or elective course because it was not offered or because it clashed with another course, they are allowed to register for an equivalent course upon the recommendation of the Head of Department and the approval of the Dean.

Article (40)

1. The Head of Department and the Academic Advisor are responsible for following up the academic status of the students in co-ordination with the Deanship of Admissions and Registration, and to examine their fulfilment of the graduation requirements.
2. Any student who is expected to graduate at the end of any semester must fill out a graduation form with their department a semester before their graduating semester. This happens in coordination with the Deanship of Admissions and Registration in order to avoid any unexpected mistakes.

Article (41)

The student must obtain a No Liability certificate from the University in order to complete their graduation procedures.

Article (42)

The student does not have the right to claim that they were not aware of these bylaws, University announcements, or anything published on the University noticeboard regarding these instructions.

Article (43)

The Bachelor Degree bears the due date.

Article (44)

1. The student must pay the tuition fees and any required deposit at the time of their registration in each semester. The student registration will not be completed unless they pay all the required fees. The University has the right to amend the amount of fees and deposits required as it deems appropriate, after obtaining the approval of the responsible bodies.
2. Newly-admitted students who have applied to the University immediately after their graduation from secondary schools are entitled to a discount in their first semester. This discount relates to tuition fees only. Other fees such as books fees are excluded:
 - A. 30% for students who have obtained a GPA 95% and above.

Article (45): Hours of Student Activities and Community Engagement

1. Regulations for granting a credit hour to the extracurricular activities and community engagement of students:
 - A. The credit hour for student activities is an hour granted with a grade of 100% for participation in student activities through, for example, scientific student societies, students clubs, and student council committees, which are not considered to be an academic requirement.
 - B. The student granted this credit hour should be an effective member of a scientific society, student club, or any authority that cares for student activities, voluntary activities and community engagement, in coordination with Student Affairs.
 - C. The credit hour is not granted for student activities and community engagement for:
 - Students in the orientation programme.
 - Students receiving disciplinary action in the same semester.
 - D. The credit hour for student activities and community engagement counts towards the GPA along with the results of the academic courses at end of each semester through which the activities are practised.
 - E. The student is granted a maximum of one credit hour during their time of study in the University.
2. The criteria for granting the credit hour to student activities:

- A. The eligible student is granted one credit hour if the hours of participation are not less than 30 hours in one semester, as indicated in the forms of activity prepared for this purpose by the Student Affairs Deanship.
 - B. The activity should be indicated in the University form, Student Affairs Deanship, Colleges, Student Council, Clubs, or Societies, etc.
 - C. The students should perform well in the activity they are doing as approved by the organised authority and the declaration of the Student Affairs Deanship.
3. Mechanisms for granting the credit hour for student activities and community engagement:
- A. The responsible body for the activity fills out a form allocated for the activities that is prepared by the Student Affairs Deanship, so that each student has a file that includes their activities that is kept in the Student Services Office.
 - B. The Student Services Office records all student performed activities in one form by end of the semester, in coordination with the body responsible for that activity.
 - C. The responsible body of the activity approves the student activity form and refers it to the Student Affairs Deanship.
 - D. The Deanship of Student Affairs approves the student activity form, then it is referred to the Deanship of Admissions and Registration before the end of the semester, for auditing and granting of one hour for activity, as per the system. The Deanship of Admissions and Registration is entitled to return the forms to the Student Affairs Dean to be reviewed once more in case of any errors.
 - E. Student activity and community engagement are not granted retroactively for activity in previous semesters.

Article (46): Amendment to Provisions of the bylaw

The University Council is entitled to amend the provisions of the articles of this bylaw according to recent updates and public interest, and per resolutions that do not reflect the bylaws and resolutions of the Higher Education Council in Bahrain.

Article (47): Instructions not indicated in this bylaw

The University Council settles the cases not provided for in the instructions and in disputes that may arise due to the application of such instructions, so as not to conflict with the bylaws and resolutions of the Higher Education Council. In emergency cases that cannot be delayed, the President of the University replaces the University Council for the settlement thereof.

Article (48): Implementation of the Provisions of this bylaw

The President, Vice Presidents, Academic and Non-Academic Deans are responsible for the implementation the provisions of these instructions.

6. The University Council is entitled to look into an extension of the study period in exceptional circumstances.

Article (9)
Passing Grade, Semester Average and GPA

First:

1. The passing grade in courses is 70% and the GPA is 75%.
2. A student is put on probation if the GPA is less than 75%.
3. A student put on probation should sort out the issue in a period not more than two semesters after the affected semester, and summer semesters are not calculated in this period.
4. Consideration of reviewing the final grade for any student on a certain course is allowed based on a written request or a written initiative from the course instructor to be sent to the Dean in a period not exceeding one week after the announcement of results. An internal committee should be formed by a resolution from the Head of Department to look into the review (the committee is formed of two members provided that the course instructor is not a member of this committee. A third member may be added in case one of the two opinions is required to be weighed). The concerned College Dean notifies the Dean of Admissions and Registration of the committee's resolution within two weeks of issuance.

Second:

The marks for postgraduate studies are distributed as follows:

1. 30 marks for first exam (midterm)
2. 30 marks for participation and coursework
3. 40 marks for final exam
4. Some academic departments of a special nature, in which the scientific and/or applied aspect constitutes an important part of the courses requirements, may redistribute the mark so that mark of the final exam is not less than 30% with approval of the College and the approval of the University Council.

Third:

| GPA | General Grade |
|--------------------|------------------------|
| 94%-100% | Excellent with Honours |
| 88%- less than 94% | Excellent |
| 80%- less than 88% | Very Good |
| 75%- less than 80% | Good |
| Less than 75% | Fail |

Article (10)

Any course outside the plan of study, based on which a student is enrolled in the programme, is not allowed to be counted unless that course is equivalent to a programme's course by a resolution from the Equalisation (Credit Transfer) Committee in the College and in exceptional circumstances, together with considering provisions of equalisations and transfer indicated in Articles (15) and (17) of this bylaw.

Article (11)

Remedial Courses

First:

The passing grade of the remedial courses is 60%.

Second:

The grades of remedial courses are recorded in the student's transcript (pass/fail).

Third:

The student should complete the remedial courses in the first year of the registered Master's programme.

Article (12) *

Registration of Master's Thesis / Applied Project 1

1. A registration application for a Master's Thesis or Applied Project may be accepted according to procedures prescribed in this bylaw: when the student passes equivalent to at least 50% of the courses in the study plan and the GPA is not less than 75%.
2. The Master's Thesis is registered for the student on the basis of (6-12) credit hours when his / her GPA is not less than %80 provided that the thesis is as genuine and innovative as possible, and for the period defined in the university's bylaws, and as per the conditions defined by the University Council.
3. The Applied Project is registered on the basis of 6 credit hours if the GPA is less than %80 provided the students takes elective courses to compensate the difference in credit hours between the thesis and the applied project.

* This article will be implemented upon HEC's approval of the new study plans.

4. In case the applied project is not completed in the registration semester, a grade of "Incomplete Research (IR)" will be assigned to the student along with one additional semester to complete the project, and in case the project is not submitted by the end of the additional semester, a grade of "Zero" and the status of the grade will be assigned to him/her.
5. If the student chooses to do an applied project, he/she must follow the applied project guidelines adopted by the University Council.

Article (13)

Punctuality

1. If a student is absent from a certain course without an excuse accepted by the College Dean, for more than 25%, he/she will be prevented from taking the final exam. The mark in that course is deemed 50 and the course should be repeated if compulsory.
2. If the student is absent from a certain course with an excuse that is accepted by the College Dean, for more than 25%, he/she will be considered as withdrawn. However, students representing the Kingdom or University in official activities are allowed to be absent with a percentage not exceeding 30%.
3. Any absentee from the announced final exam, with an excuse that is accepted by the College Dean Concerned according to the approved policy, will be registered as incomplete. The course instructor will be notified of excuse acceptance to conduct a compensatory exam for the student in a period not exceeding the end of the following semester. If this semester is postponed officially by the student, in such a case, the exam will be held before the end of the semester following the one postponed.
4. Sick leave should be with a certificate issued and approved by a medical body. Such a certificate should be submitted to the College Dean Concerned within a period not exceeding two weeks from the date of the student's absence. In other compulsive cases, the student submits proof of the compulsive case within two weeks of absence.

Article (14)

Postponement, Withdrawal and Interruption

1. Postponement

- A. A postponement request is accepted if the student has completed at least one semester in the academic programme.
- B. The student submits a postponement request in a form prepared by the Admissions and Registration Deanship. Approval of postponement is issued by the College Dean Concerned. If the request is submitted after the end of the add/drop period, it will be subject to the provision of withdrawal, which state that there will be a non-refund of fees for withdrawn or postponed courses. The student's academic study is deemed postponed from the date of approval of the postponement request and not from the date of the submission of the request as per the effective financial practice in the university.

2. Withdrawal

- A. The student is allowed to drop courses and add new courses in the first week of the first and second semesters and within the first three days of the summer semester according to the calendar of the University. The dropped courses do not appear on the student's transcript.

- B. The student is allowed to withdraw from one or more courses within eight weeks of the beginning of both the first and second semesters, and within four weeks of the beginning of the summer semester. In this case, the course appears in the student's transcript as withdrawn (W). The credit hours of these courses are not calculated in the number of hours studied in terms of success or failure and graduation requirements. If the student did not withdraw during the said period, the course instructor should record the student's result in the transcript. As a result of this withdrawal, the number of credit hours registered is not allowed to be less than the minimum number of credits permitted according to such instructions unless in special cases, as provided for in this bylaw.
- C. Withdrawal from a course is made by submitting a form prepared for this purpose to be submitted by the student to the College Dean Concerned.
- D. The note 'incomplete' is registered next to the course whose requirements are not completed by the student or due to absence in the final exam with an acceptable excuse.
- E. The student should work for removal of the 'incomplete' note in a period not exceeding the end of the semester following the one in which this note is registered without calculating the summer semester, together with considering provisions of Article (13/3) of this bylaw.
- F. If a student obtains an incomplete result in some courses, averages will be calculated when the marks of courses are completed. Averages are considered retroactive from the date of obtaining an incomplete result in terms of placing a student under probation or dismissal.

3. Interruption

1. A student is considered to have interrupted his studies in the following cases:
 - A. If study has started, the Add and Drop period has finished without registration.
 - B. If registration is cancelled due to non-payment of university fees despite having attendance in the attendance and absence records.
2. A student who interrupted his studies loses his seat in the University and will not be allowed to return without the approval of the University Council.

Article (15)

Transfer from a Programme to Another inside the University

A student may be transferred from a Master's Programme – if any – to another programme by a resolution of the College Dean(s) if the admissions requirements are met for the desired programme to be transferred to, in terms of the GPA, academic programme and availability of a vacant place. The joint courses which the student has studied in the programme transferred from, provided that all courses transferred credits from the previous programme are entered into the new GPA. The Head of Department(s) concerned will be notified.

Article (16)

Warning and Dismissal

1. A student is warned in the following cases:
 - A. If the minimum GPA is not obtained at the end of any semester as defined in this bylaw
 - B. If the College Council viewed that the student has neglected working on his/her thesis, based on a report from the supervisor and recommendation of the College Committee
2. The student is dismissed from the Master's programme in the following cases:

-
- A. If the minimum GPA is not obtained at the end of two semesters following the warning, excluding the first semester
 - B. If the student committed a violation requiring dismissal according to the bylaws applicable in the University
 - C. If the student failed in the defence of his/her Master's thesis twice or has registered twice for the thesis and did not attend the assessment session.
 - D. If the student has withdrawn from all courses registered in the first semester since starting study in the University
 - E. If a period of postponement or interruption exceeded two semesters
 - F. If the maximum limit for the duration of study is exceeded

Article (17)

Transfer

1. Students transferred from other universities are admitted to study for a Master's Degree provided that the number of credits transferred does not exceed 12 credit hours, as long as these courses are similar to those listed in the programme. The grade in each course should not be less than C or equivalent, and the period of studying in the university is not less than two semesters.
2. The transferred credits are not calculated in the GPA if the transfer is from outside the University.
3. Only one semester is deducted from the maximum period of the graduation semester against every 9 credit hours calculated in favour of the student.
4. Any course studied from a lower programme level must not be calculated in the higher programme level.
5. Upon transferring from a higher education institution to another one, the number of hours transferred should not be more than 50% of the second university grade requirements with a maximum limit of 12 credit hours, provided that courses whose grade is less than C or equivalent are not calculated. The Credit Transfer committee in the College is concerned with reviewing courses to be exempted within the limits mentioned in Article (18) and according to the names of each course, description, level and content in the prescribed plan of study. Then, the committee's decision should be approved by the College Dean and sent to the Admissions and Registration Deanship for implementation.

Article (18)

Credits Transfer

Credit Transfer committees in the College are concerned with reviewing courses required to be exempted within the limits mentioned in Article (17) according to the names of each course, description, level and content in the prescribed study plan, then to be approved by the College Dean and sent to the Admissions and Registration Deanship for implementation.

Article (19)

Repetition of Course

1. A student may repeat a course if the grade obtained is less than 75%, with no more than two compulsory courses and one elective course.
2. If the student has studied an elective course and obtained a mark less than 75%, another elective course may be studied as a compensatory course to complete the requirements of the study plan.

This compensatory course is deemed a repeated course of an elective one, and the highest mark in the two averages (semester and GPA) will be calculated.

3. A course is not allowed to be restudied more than once if a student has passed it.
4. A student is allowed to register in a maximum of two additional courses from the elective plan of study with approval of the College Council provided that the highest grades are calculated in the GPA for the purpose of improving the average.

Article (20)

Honorary Board

The name of a student is listed in an honorary board if his registration in that semester has no less than 6 credit hours (thesis credit hours not considered) as follows:

1. Honorary board in the College: if semester average is 88% and above
2. Honorary board in the University: if semester average is 94% and above
3. Summer semesters are not calculated in this honouring. A student will not be listed in case of withdrawal from and/or postponement of any semester and violation of any University Bylaw

Honouring the distinguished students at the end of each semester will be considered appropriately by the Dean and the President.

Article (21)

Teaching and Supervision

1. The Professors and Associate Professors in the Academic Department undertake teaching courses of postgraduate studies.
2. The Dean is entitled to approve, based on nomination of the College Committee, that Assistant Professors in the Academic Department undertake teaching courses of postgraduate studies .
3. The College Council has the right to seek help from experienced specialists or those who have published papers in the same field to teach, supervise and be part of the assessment panels of master thesis or applied projects.
4. The Concerned Department is entitled to propose academic staff (full-time or part- time) assigned for supervising a Master's thesis and postgraduate students' research; and the Dean, based on recommendation of the College Committee, approves a teaching staff member with a grade of Assistant Professor according to the same conditions indicated in clauses 2 and 3 of this Article.
5. A thesis may be supervised by more than one supervisor, whether the second supervisor is from inside or outside the University, provided that the assistant supervisor is qualified and a holder of a PhD degree.
6. The supervisor of the thesis commits to submitting a semester report for the Department about the student's progress in his study in order to take the necessary actions in this respect using a form prepared by the Deanship of Research and Graduate Studies.

Article (22)

Continuity in Supervision

By virtue of a resolution from the College Council and based on the recommendation of the Department Council, an academic staff may continue to supervise a student's thesis or participate in supervision if he changed his work place inside or outside the Kingdom provided that it does not conflict with the interest of the student.

Article (23)

Unforeseeable Circumstances and Supervision

Upon the occurrence of unforeseeable circumstances that prevent the supervisor from continuing to supervise theses of students, the Department Council, at the earliest opportunity, nominates another supervisor(s) and submits his/her nomination to the College Council for approval, considering the conditions required in the appointment of supervisors as indicated in Article (21) of this bylaw.

Article (24)

Amendment of Plan or Title of Thesis

The student may, in coordination with the supervisor, amend the plan of a thesis if the circumstances of the research so require. As to the title of a thesis, the Dean is entitled to settle this upon recommendation from the College Dean, Head of Department, Programme Director and Supervisor prior to defining the date for defence session.

Article (25)

Selection of Discussants of Thesis

- A. The College Committee prepares a list of names and specialities of professors in some universities inside and outside the Kingdom of Bahrain to select the discussants. This list is changeable and updated annually.
- B. The Dean issues a resolution, based on a recommendation of the College Council upon a recommendation from the graduate studies committee in the college to form a three-member thesis assessment panel (supervisor, internal examiner, external examiner) as long as there is no shared supervision. The chair of the assessment panel is the one with the highest academic rank, be it the internal or the external examiner.
- C. The student delivers copies of the thesis in its final form to members of the committee at least two weeks prior to the date of discussion.
- D. The Head of Department undertakes responsibility for ensuring the full procedures of the discussion and submits a report to the Deanship of Research and Graduate Studies and the Council via a form approved by the Deanship of Research and Graduate Studies.

Article (26)

Thesis Defence

The thesis is discussed as follows:

1. The student presents an abstract of the thesis and conclusions and recommendations reached in a proper way.
2. The Head of the Discussion Committee undertakes management of the session. Following the discussion, the Committee starts its deliberation and unanimously or by the majority determines the success of the student according to the following grades:

| Grade | Percentage |

5. Financial instructions relating to the withdrawal of a student:

- a) Regular students have the right to withdraw totally or partially during the late registration period and the add/drop period (announced each semester by the Deanship of Admissions and Registration) and without any financial charges.
- b) Regular students have the right to withdraw totally or partially before the end of the second week of the approved study semester as announced every semester by the Deanship of Admissions and Registration and will have to pay the amount of 25% of the fees of the withdrawn courses, provided that the payment is processed before the approval of the courses by the Deanship of Admissions and Registration and after obtaining official approvals by the concerned parties in the college.
- c) Regular students have the right to withdraw totally or partially before the end of the third week of the approved study semester as announced every semester by the Deanship of Admissions and Registration and will have to pay the amount of 50% of the fees of the withdrawn courses, provided that the payment is processed before the approval of the courses by the Deanship of Admissions and Registration and after obtaining official approvals by the concerned parties in the college.
- d) Regular students have the right to withdraw totally or partially before the end of the fourth week of the approved study semester as announced every semester by the Deanship of Admissions and Registration and will have to pay the amount of 75% of the fees of the withdrawn courses,

provided that the payment is processed before the approval of the courses by the Deanship of Admissions and Registration and after obtaining official approvals by the concerned parties in the college.

- e) In case the student withdraws partially or totally after the end of the fourth week, he/she shall pay the entire amount of registered credit hours fees.
- f) The student has the right to withdraw totally or partially without financial charges from courses that require prerequisites and were registered in the course registration form provided by the student to the Deanship of Admissions and Registration.
- g) The student has the right to withdraw totally or partially from courses that have been equalized later on without financial charges.
- h) In case the student wants to transfer to another programme after the regular add/drop period, he shall bear all the financial charges mentioned in items b, c and d of this paragraph.
- i) The student has the right to withdraw totally or partially without financial charges from courses that have been registered beyond the limit allowed by the university and the Bahraini Higher Education Council.
- j) If the university cancels or withdraws any courses registered by the student at any time, the amount of the paid fees will be credited to his account.
- k) The aforementioned regulations related to students' withdrawal do not apply to new students during admissions semester; they are governed by total withdrawal instructions issued by the university during the registration of an academic semester.
