## Message from the President

### 9th career fair and forum

Under the Patronage of HE the Minister of Labor and Social Development, Mr Jameel Bin Mohamed Ali Hmaidan, and in the presence of Prof Waheeb Al Khaja, Chairman of the Board of Trustees, and many dignitaries the Deanship of Students Affairs organised the 9th career fair and forum. 49 private and public companies/institutions showcased their vacancies and opportunities for internships. The forum hosted colleagues from the information and eovernment authority and the Bahrain Chamber who spoke to our students about their practical experiences. On the same day, our students in the College of Engineering and College of Arts and a science showcased their students' inspirational projects. I am grateful to all colleagues in these two colleges for their dedication and hard work. It was so pleasing to see the University buzzing during the career fair and exhibitions of our students.

Written By  
 Professor Ghassan  
 Auwad **The President of  
 Applied Science University**

Career fairs in universities are of extreme importance in helping students find more about jobs availability and in exposing them to the market place.

Career fairs cover a variety of industries and usually attended by employers in the private and public sectors. The main benefit of attending a career fair is the chance to talk to recruiting companies. Our students can use career fairs to get more hints about how to attend for an interview and how to improve their CVs. Career fairs can also help our students find a practical experience through an internship or an industrial placement. The primary benefits of a career fair are: networking with potential employers; access to free workshops and seminars; get your resume reviewed; interview practice; and learn about job opportunities in a particular industry.

Many thanks are due to the Deanship of Students Affairs, Dr Fawzi, Dr Hamad, Mr Abdulla Al Alkhaja, Ms Noora Musalem, Ms Ruqaya, Mr Mohamed Najjar, Mr Mohamed Nassar and other colleagues from PR, IT, HR, Procurement and others for a fantastic event. I know for sure that so many colleagues academic and administrative, students, and alumni have worked so hard toorganise this important and successful event, I am grateful to all of them. I also know for sure that HE the Minister was very happy with the career fair and the forum. Team efforts always pay off. We will always make sure that ASU is a beacon of knowledge and a shining star in the world of academia.

- **Cohort 8: “Building the Advance- HE Claim Workshop”:**

Written By:  
Assistant Vice President for  
Academic Affairs and  
Development

The ASU-rise team organized and delivered a workshop on Thursday 19 May 2022 for Cohort 8 members on Building the Claim for the HEA Fellowship according to the UKPSF framework.

The main drive of such workshop is to support our staff during their journey through the ASU-rise scheme and to ensure that our staff have the right knowledge “ *to achieve the Advance- HE recognition First Time* ”, the latter statement was the Motto of the workshop in supporting ASU's cohort 8 Applicants.

The ASU-rise team believes that such a workshop is important in preparing our applicants to write their (1) written claim, ( 2) RPAs (Record of Professional Activities), and to provide the adequate (3) advocate letters.

The scheme leader takes this opportunity to thank the ASU-rise team, the mentors, and the reviewers for their great efforts in supporting the ASU-rise scheme.

## Quote of the Week

“You are not your resume, you are your work.”

فِيكَ الْخِصَامُ وَأَنْتَ الْخِصْمُ وَالْحَكْمُ  
أَنْ تَحْسَبَ الشَّحْمَ فَيَمَن شَحْمُهُ وَرَمُ  
إِذَا اسْتَوَتْ عِنْدَهُ الْأَنْوَارُ وَالظُّلْمُ  
بِأَنْنِي خَيْرُ مَنْ تَسَعَى بِهِ قَدَمُ  
وَأَسْمَعَتْ كَلِمَاتِي مَنْ بِهِ صَمَمُ  
وَيَسْهَرُ الْخَلْقُ جَرَّاهَا وَيَخْتَصِمُ  
حَتَّى أَنْتَهُ يَدُ فَرَّاسَةٍ وَقَمُ  
فَلَا تَظُنَّنَّ أَنَّ اللَّيْثَ يَبْنَسِمُ

يَا أَعْدَلَ النَّاسِ إِلَّا فِي مُعَامَلَتِي  
أُعِيدُهَا نَظْرَاتٍ مِنْكَ صَادِقَةً  
وَمَا انْتِفَاعُ أَخِي الدُّنْيَا بِنَاطِرِهِ  
سَيَعْلَمُ الْجَمْعُ مِمَّنْ ضَمَّ مَجْلِسُنَا  
أَنَا الَّذِي نَظَرَ الْأَعْمَى إِلَى أَدْبِي  
أَنَا مِلءٌ جُفُونِي عَنْ شَوَارِدِهَا  
وَجَاهِلٌ مَدَّةً فِي جَهْلِهِ ضَحْكِي  
إِذَا رَأَيْتَ نُيُوبَ اللَّيْثِ بَارِزَةً

-المتنبي-
