## Alumni Club Board of Directors President Speech

Dear Esteemed Alumni,

I am delighted to announce the commencement of the seventh edition of our Alumni Club. Leading as the President of the Board of Directors in this cycle fills me with immense pride, and I eagerly anticipate collaborating with each of you to achieve extraordinary success. Our Alumni Club stands as a powerful channel for connecting, communicating, and exchanging experiences within our community of distinguished graduates. In this upcoming edition, my primary focus is on strengthening our spirit of cooperation and broadening the circle of communication among us. The depth of our combined social and professional experiences is profound, and I am confident that through ongoing collaboration and interaction, we can craft a positive impact on both our personal and professional lives. Throughout this seventh edition, we have meticulously curated a diverse range of events and activities tailored to address our shared needs. From thought-provoking workshops to the unique opportunity to share our experiences with our current students, we are poised to make this cycle truly unforgettable. I passionately encourage each of you to actively participate and contribute your invaluable ideas and suggestions. Your voices and experiences form the cornerstone of our community, and through ongoing communication, there is a wealth of knowledge and inspiration to be both gained and shared. A sincere thank you to everyone for your unwavering support and loyalty to the Alumni Club. Together, let us forge a resilient and thriving community that not only opens doors to success for all graduates but also sets a new standard in the realm of alumni engagement.

With Appreciation,  
Mohamed Noor Ebrahim Alabbasi  
President of the Board of Directors  
Alumni Club - Seventh Edition

# The Objectives of Alumni Club

- 1** Connecting the University's alumni to their University, through a periodic event.
- 2** Educating the University's alumni about the importance of their role in serving their University and country in order to achieve progress in society.
- 3** Strengthening the relationships and cooperation among alumni so that they can exchange experiences and knowledge.
- 4** Contributing to and cooperating with the University to achieve its educational, cultural and societal objectives.
- 5** Promoting the sense of responsibility among the University's alumni towards their University and society, and fostering the spirit of citizenship in them.
- 6** Providing moral and material support for the Club in order for it to carry out its activities.
- 7** Promoting interaction between the University's alumni and their University through their involvement in the University's promotional plans for exhibitions, advertising campaigns, etc.
- 8** Maintain and up-to-date alumni database, as prepared by the Office.
- 9** Establishing communication between the University and other universities inside and outside the Kingdom of Bahrain to exchange expertise and to promote higher education inside and outside Bahrain.
- 10** Publishing the success stories of the University's alumni, making them role models for present and past students.
- 11** Seeking feedback from alumni about the University's reputation and position in society in the GCC and Arab countries.
- 12** Consulting the opinions of new graduates and providing job opportunities for them, and giving priority to qualified University alumni in job interviews and recruitment.
- 13** Supporting new graduates through training to prepare them for the labor market by holding workshops and seminars.
