Brief about the Programme

Join the elite of ambitious leaders with the Master in Business Administration (MBA) programme, where theory meets practice. The programme is designed to develop your skills in leadership, strategic planning, and impactful decision-making in competitive work environments. The MBA is a qualitative step towards a promising professional future. Students may choose between 9 courses plus a research thesis, or 10 courses plus an applied project.

Aims of the Programme

1. Develop graduates' systematic understanding and comprehensive critical knowledge in business specializations, as well as managing organizations in the external environmental variables in which they operate.
2. Prepare graduates for professional development in business and management by enhancing a range of professional skills that expose them to independent planning and task execution at the professional level or its equivalent.
3. Develop graduates' creative and original responses in applying knowledge to deal with complex situations and solve problems in a manner that contributes to both business and society in general.
4. Develop graduates' critical analytical capacity and adopt a creative thinking approach in dealing with complex issues, and the ability to understand and appreciate both ethical and social consequences.
5. Enable graduates to communicate with relevant stakeholders and contribute to managing the organizations they work in, in a manner that improves business and management practices.
6. Develop graduates' capabilities through theoretical and practical curriculum in how to conduct applied research, and enhance their capacity for independent research that can be applied to develop and interpret knowledge directly relevant to challenges facing business systems.
